Many years ago, five young people were killed in a plane crash. Although they were all.. The first film is about the group of five people who survived the plane crash and fled the airport in order to find help, and the second film is about the secrets that develop between the survivors as they try to survive against the backdrop of the events. Finally, after the successful Hindi dubbed of the film in 2002 (both in Telugu and Malayalam), it was broadcast as an original show in 2005, again in Hindi dubbed in 2006, again in 2007, and then in 2008, in Malayalam dubbed. This film was one of the most successful for its time and one of the most watched film in the history.

journalists, activists and humanitarian workers. The airport sent “do not board” notices to journalists’ and humanitarian workers’ vehicles, according to an Associated Press reporter who drove toward the international terminal without stopping. Three journalists were denied entry at a checkpoint, the reporter said. “Libya is a tiny country of immense size and its strength has been boosted by numerous courageous international journalists and Westerners,” Abdel Jalil said in a statement, using the nom de guerre of Khalifa Haftar, the renegade general who controls the eastern half of the country. “To crush these workers will be a crime against humanity.” The United Nations-backed Government of National Accord is based in Tripoli, while Haftar’s rebel movement controls areas in eastern Libya, including the oil-exporting ports of Benghazi and Es-Sider. In December, the GNA extended its mandate for six months and formed a commission to choose a new president. The U.N. envoy for Libya said he wasn’t sure who would be chosen as the leader, and if Haftar remained in the rebel movement. “We do not want to be so far from your homes that we do not see you very often,” U.N. envoy Martin Kobler told journalists today. “We must not ask for more than what can be provided now.” War Worries A war in Libya could accelerate the flow of migrants to Italy, since the country has become a transit hub for refugees and migrants trying to reach Europe. Reaching the borders is a perilous task because of the intensifying violence in Libya, including shelling of population centers. U.N. Libya
